I'd like to make a Freedom of Information Act request for all e-mails to and from the CIA from the domain ending in @google.com from Jan. 1, 2005 to the present.

I suggest a server-based search for a complete response and to save time.

I'm willing to pay all necessary processing fees. However, I may be eligible for a waiver for some or all of the costs based on my job as a journalist.

If you have any questions, please contact me.

Thank You.
